THE FALL FEST PARKING SPACE FOR MARCH BELONGS TO RICK AND SUZIE THOMAS

Third Quarter, Halfway Mark!

Where did it go? It is hard to believe that we are halfway through the third quarter. Even though it has not been a normal year, time keeps moving. We are in our second week of optional masks. We will continue to monitor it. We will make any changes that need to be made for our students. We will also do all we can to keep things here as normal as possible for the students. We are encouraged by our families. We always stress, we are doing this together. Our families are doing a great job! Don't forget, midterms are there also to see what changes if any need to be made. Low grades can be raised and high grades can be maintained through their effort.

In Christ,
Mr. Thomas

Re-Enrollment for 2021/2022

Please remember to stop by the office and pay the enrollment fee to complete the enrollment process. Failure to pay the enrollment fee could result in loss of your spot if a class is full.

Several "New to Trinity" families are on our waiting list to be placed into classes on March 1st, and several of our classes will fill as we place new students.

If you still need to re-enroll for next year, use the below link. Click on the circle next to "Re-Enroll", enter your family code and password. The process takes just a few minutes.
