THE FALL FEST MARCH & APRIL PARKING SPOT BELONGS TO KRISTA AND JASON CRUSCH.

## Science Fair History

We just completed our annual Science Fair. The students in grades 2, 4 and 6 participate. The kids did a great job! The Science Fair used to be in every grade. Our parents shared how much work it took especially with multiple kids. We changed that then to grades 2, 4, 6 and 8. That went on for awhile. Then our high school parents were telling us we needed to spend more time in chemistry in eighth grade. So, we dropped our eighth graders out of the Science Fair. The extra time then went to chemistry. Trinity is blessed with great families and their input is very important to us. Trinity is one big family and together we do what is best for His children. May the Lord continue to bless us as we raise His children in a God pleasing manner. In Christ, Mr. Thomas

## The Library Thanks You!

Thank you to all the wonderful volunteers, donors, and shoppers for supporting the used book sale. Our library raised \$780.00.

In addition to the money raised for the library, we donated several boxes of books to Muddy Cluster.

*Thank you for your support!*

## Pictures for the Yearbook

Mrs. McClintock has started creating the yearbook. If you attended a school event and took pictures, we would love if you shared them with us. You can email them to [school@trinitybillings.org](mailto:school@trinitybillings.org).

## Order Your Yearbook

It's time to order your yearbook. You can order online at [ybpay.com](http://ybpay.com) using the yearbook code 14697222 or return your payment envelope to the school office.

## Yearbook Business Advertisements

If you would like to place a business advertisement in the yearbook, and/or have your business listed in the Church and School Business Directory, please contact the school office for information.

Handbook Hannah here, reminding you and your child that modesty is our

policy! Sleeves on shirts, not too short of shorts/skirts, and clothing that fits properly all help to not distract from learning and show Christian modesty. Also, please

note that wearing a hat in the building is a no-no as well.

## Thank You from Child Bridge

Thank you, Trinity Lutheran students, for your change. We are very appreciative of your generosity and gift of \$710. The money you raised will be helping foster and adoptive families in the area to care for the children in their homes. By you giving to Child Bridge, many families will receive the tools and resources to they need, so they are better equipped for the children they take in. The change you donated really does help change lives! Sincerely, Child Bridge
