THE FALL FEST PARKING SPOT FOR MAY BELONGS TO **KATHY TEACHOUT!**

MORE OPPORTUNITIES!

Greetings. If you remember, March 28 we hosted a workshop on internet crimes against children, put on by the Billings Police Department. The next opportunity coming up is Thursday, April 27 at 6:30 P.M. at West High School. This presentation is titled "Fight the New Drug". This gives parents more insight about problems our children face today. We are working on celebrating "White Ribbon Week", May 15-19.

The focus for this week will be to give our children positive ways to deal with media and technology. More information will be coming soon. Our prayer is that with summer coming, our children will be better prepared to deal with their choices.

In Christ,
Mr. Thomas

Celebrating the Red, White & Blue

Greetings from school. We have figured out how we are going to cover our music events for this spring. The event, titled "*Celebrat-*

ing the Red, White and Blue", will be held on Thursday, May 25th and will include all students, Preschool through 8th Grade. We are going to combine Music Box, Bell Choir, Chimes and Band all into this one evening of music, giving each of these groups an opportunity to share all that they have been working on this year. We will not be having the Band, Bell Choir concert scheduled on May 18. This is pretty close to what we did for the Christmas program. There will be a little bit of everything for you to enjoy. We will keep you updated as we get closer to the date.

FINANCIAL PEACE UNIVERSITY
Financial Peace University (FPU) is being offered by the Trinity Lutheran Church Stewardship Committee on an ongoing basis and they want to invite the school families to participate in this opportunity. FPU is a life-changing and God-honoring nine week course on biblical principles of handling God's money. It incorporates small-group discussions while encouraging accountability and discipleship. The first session just finished with great success. Our first group met or exceeded the national average of FPU classes for debt paid as well as increased savings and giving. There will be a Class Preview on April 27th at 7:00pm in TYM Square which is located at 511 Grand Ave. The second session will be meeting on Thursdays starting on May 4th until June 29th There is a \$100 cost for the materials kit (one per family unit) which includes a lifetime membership to the Financial Peace University online forms, lessons, and much more. The \$100 covers exactly what the materials cost the church to buy for participants. For more information, email church@trinitybillings.org and watch the school's social media links.

LIBRARY CLOSING FOR THE SCHOOL YEAR!

It is hard to believe it is that time already, when we are finishing up another school year.

The last day students may check out books will be the week of May 8th – 12th. All checked out and overdue books are required to be returned by Friday, May 19th. Report Cards will be held until books are returned or paid for. The library will be closed to students and teachers Friday, May 19th. We will be doing inventory the last week of school.

Thank you to all the library volunteers for all your help and time. Each teacher and their students greatly appreciate your dedication. We hope to see you back in the library in September for the new school year. **Mrs. Ullman**
