THE FALL FEST PARKING SPACE FOR MARCH BELONGS TO RICK AND SUZIE THOMAS

N.L.S.W.

Greetings from school. We had such a good time last week celebrating National Lutheran Schools Week. The students really got involved and participated. We had probably our highest percentage of students participating in at least 20 years. The students really made the week very enjoyable. Our focus this year was on serving. During the week, the students were involved in a number of servant events. One day they blessed Mr. Ullman with helping to clean the school. He was very thankful for their kindness. Serving others is a funny thing. The more you serve, the bigger your smile grows. In Christ,
Mr. Thomas

Thank You from LaVie

Thank you to all the students for bringing in their coins and dollars to fill baby bottles with cash for LaVie Early Pregnancy Center. Trinity students presented LaVie with a check for \$915.00. Thank you!

A HUGE THANK YOU to all the lunchroom volunteers. We have been blessed with five new volunteers that are helping Kathy and Jackie serve the yummy lunches. We appreciate all of your time and dedication to Trinity and our lunch program.

Lifetouch class pictures were sent home last week. If you ordered a class picture and/or a music group picture and your child did not receive it, please contact the school office at 656-1021 as soon as possible. Thank you.

National Lutheran Schools Week was a great time for students and staff to celebrate together as they shared their faith with others. Students in each classroom worked together to create door decorations for their classroom doors. We want to share their creations with you.
