White Ribbon Week!

May 15 – 19 will be our week to focus on making healthy choices in media and technology. Each day the students will spend some time learning ways to be strong and be a positive force for good decisions. Our goal is to give them some tools so that this summer they will be ready to make good decisions.

PARENTS: Thank you for continuing to send in news about our past students.

Nora Minch – In April, Nora participated with qualifying college students in National Debate competition in Washington, D.C. Later that month, Nora received one-of-two awards presented by Faculty from the Communications Dept. of Northwest Community College in Powell, Wyoming for Academic Excellence & Campus Involvement as Secretary of Student Senate and Resident Advisor.

Reagan Linde & Olivia Kusek earned Academic All-State Honors for the Billings West Speech and Debate Team. They were also honored with the Coaches Award.

Laura Beard, who will graduate from Capital High in Helena this spring, received the President's Education Award for Outstanding Academic Excellence.

Keep up the good work, and thank you, parents, for sharing with us.

WHITE RIBBON WEEK AT TRINITY MAY 15-19

This is an interactive school program which empowers children to make positive choices in media and technology. Each program contains five media principles – one for each day – to guide student's choices in a safe and healthy way. The media principles are taught through morning announcements, engaging discussions, and lunchtime activities. There will be prizes for many of the daily activities. These prizes will be awarded at our Awards Assembly, on Friday, May 19 at 1:30 P.M.

PARENTS: We still have low numbers in next years Kindergarten classes. Spread the word. Let your friends know that a quality, Christ-centered education is just a phone call away.
In Christ,
Mr. Thomas

LIBRARY CLOSING FOR THE SCHOOL YEAR!

It is hard to believe it is that time already, when we are finishing up another school year.

The last day students may check out books will be the week of May 8th – 12th. All checked out and overdue books are required to be returned by Friday, May 19th. Report Cards will be held until books are returned or paid for. The library will be closed to students and teachers Friday, May 19th. We will be doing inventory the last week of school.

Thank you to all the library volunteers for all your help and time. Each teacher and their students greatly appreciate your dedication. We hope to see you back in the library in September for the new school year. *Mrs. Ullman*

TRACK MEET

Our 5th – 8th Grade students will be participating in the Yellowstone County Middle School and Jr. High Track Meet, tomorrow, May 5, at Senior High. Students may be dropped off at Trinity at normal time. We will be sure they have transportation to the Track Meet. They will not be coming back to Trinity afterwards. Parents should make arrangements to pick them up from Senior High by 1:30 P.M.

They need to bring a lunch and plenty of water for the day. Also, since it looks like it is going to be a great day, sunscreen is very important.

Parents and families are always welcome to watch and cheer.
