THE FALL FEST PARKING SPOT FOR October BELONGS TO Sue Anderson

Park closer to the door when the snow is blowing! Come to Fall Fest and bid on this parking space.

Volunteers Make It Happen

Once again, our volunteers rock our world! Why do I say that? Let me explain. This Friday is our annual Fall Fest Festival. I can't

even get close to estimating how many hours have gone into this event. One good reason to support this event is just to say thank you to all of those people that make it happen. The Staff here at the school understands how blessed we are by our caring and sharing families. So, from all of us here at Trinity, THANK YOU!!!!

In His Service,
Mr. Thomas

Trinity's Cross Country wrapped up the season competing at the Yellowstone County Elementary School Meet on Tuesday October 8th. Christian Reck led the boys' team with a 4th place finish in a time of 6:47. The girls were paced by Katheryn Reck with a 16th place finish in a time of 8:48. Our third grade girls' team placed 6th with a score of 58, just four points short of 4th place. The youngest runner to compete was Hannah Kosche, 5 yoa, she finished in 12:26. There were five 4th grade boys that competed, forming the largest team for Trinity. We had 14 total runners, the most to date. Hope to see you all out there again next year.
