FOR FEBRUARY BELONGS TO**  
*Kirk and Elise Williams*

## Planning for 2019-2020

Greetings and YES, it is that time again. We will be hosting a kindergarten meeting for prospective families on February 19, at 6:30. Our goal is to share what we can offer our families. I have been at Trinity for 27 years now. I have tried a variety of methods for getting the word out about Trinity. Guess what has been our best form of advertisement? You. Families that want a Christ-centered education and a family atmosphere, are our best advertisers. Our hope is to serve as many of His children as possible. Will you help? Will you think of friends that could call this place home? This year's graduating class has some students that have been here since they were 3. We feel blessed to have had the opportunity to assist those families with raising their children in His word. So, Trinity families, do what you do best, spread the word.

In Christ,  
Mr. Thomas

## Help Us Finish the Expansion Project!

It has been 3 years since the construction on our school expansion project was completed, and we have been enjoying the blessings of the added space and improvements! The cost for this project was over \$2,000,000 – a significant undertaking for Trinity Lutheran Church. The interest on our monthly loan payments are covered in part by the annual “expansion fees” that our school families pay. As part of our 100<sup>th</sup> anniversary celebration, Trinity Church recently kicked off a completion drive to pay the remaining \$325,000 on the loan from this project, and we hope to do this in the next year or so. We are excited to announce that once the loan for this project has been paid, the annual expansion fee will go away! If God has blessed you in such a way that you would like to make a special gift toward helping retire the debt for the school expansion project, please stop by the school office and pick up a donation card. “The Lord has done great things for us, and we are filled with joy!” (Psalm 126:3)

## Food Drive for Furloughed Federal Employees

Many families in our community are being impacted by the government shutdown, including some of our own school families. Please join us in donating non-perishable items to help with a food drive being coordinated through Family Services. Currently

they are distributing more than 1,500 pounds of food each day and the need is significant. The class that brings in the most pounds of food per student will receive a cotton candy or snow cone party!

## Youth Group Family Game Night

Friday night we will be hosting an "ALL TYM Family Game Night" starting at 5 PM in the Fellowship Hall. This event is for youth 5th grade and older and their families. We're asking families to bring a snack to share, dinner for their family group, and a favorite game - drinks and dessert will be provided by Trinity's Youth Board.
