News Keeps a Coming

Greetings. I want to thank everyone for sending in information on our kids. Congrats to Veronnaka Everson (Klamert), 2007, and Jason Everson, 2007.

The married couple own and operate Swanky Roots. It is an aquaponics greenhouse. It is a blessing to see this couple using their gifts, Jason is involved in other ventures too. Also, a big congrats to Lauren Tecca, 2016. She has been selected to join the National Honor Society for the 2019-2020 school year at West. Go Bobcats! In Christ,
Mr. Thomas

We offer both full-time and part-time daycare. If you need to use the daycare on a part-time basis please call the daycare at least the day before to ensure we schedule sufficient staff. We also are requiring that fees are paid in advance. If you have any questions, please call Sara Reintsma at 671-0651 or email her at sarareintsma@trinitybillings.org.

Taking Donations for Fall Fest

It is hard to believe but the Fall Fest committee has already met at least a couple of times, planning for next fall's fundraiser. If you have a business, or you as an individual, have an item you would like to donate for the Silent Auction, please give us a call. You can contact Jonathan Boll at 245-3984 or via e-mail at jonathanboll@trinitybillings.org

Our Prayers Have Been Answered- Yes!

We prayerfully asked Nicolas Harding to join us in ministry as Music Director for the Church and School, and he has accepted our call and will begin at Trinity in July.

Nicolas graduated from Concordia University, Nebraska, in 2016 with a Bachelor of Music Education. Since his graduation he has been serving at Christ our Rock Lutheran School in Centralia, IL. Nicolas is a gifted musician who plays many instruments (trumpet, trombone, saxophone, clarinet, guitar, and piano, to name a few) and his passion is band instruction. He is currently leading band classes at 5 different schools and also has background in conducting choirs, ensembles, and hand bells.

Please join us in welcoming Nicolas to Trinity, and thanking Mrs. Judi Lacy for her service to us this year.

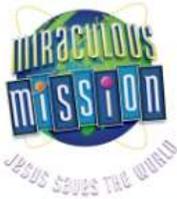

IMMUNIZATION REQUIREMENT FOR NEXT YEARS 7TH GRADERS.

Montana Immunization Law requires that we have documentation of required immunizations before the first day of school. Students entering 7th Grade are required to have a Td booster (tetanus and diphtheria). Summer is a great time to get this done and then make sure that we have a copy in the office. If you have any questions, please call the school office at 656-1021.

All Fees Are Due By May 31

Just a reminder that report cards are not sent home until family accounts are paid in full, including tuition, daycare, band and sports fees, lunches, and lost or damaged books, etc. Before making your final payment, please check with me in the office or in Sycamore for the final balance. If you have any questions about the final balance I would be very happy to help you and check for any errors on my end. If you would like, I will also print you a record of your payments. Thank you for allowing me to serve you and your family this year. It is a true blessing to work in such a caring environment and witness God's love within each family. --- Mrs. Grove

Thank you for all the pictures that have been sent in. In order to have the pictures print in the best possible quality for the yearbook please send all pictures with original resolution. We have noticed that if the file size is at least 1 mb in size the picture has adequate resolution.
