THE FALL FEST PARKING SPOT FOR MAY BELONGS TO TOM & JENNA KOEPEL

Christian Respect & Support for Our Billings Police

Dear Families,

I want to share a concern that has been heavy on my heart: the Billings Police Department.

I believe the overwhelming majority of our families respect the police. These men and women are here 24/7 serving the people of Billings. I would like to do something that would encourage them. I think it would really be nice if our students wrote them a letter showing our support. I would also like to give them a gift of a coffee/tea card. If you would like to help make this happen, please give your donations to the office. My guess is that it will be around \$1,200 to cover our police. Finally, please keep our friends in your prayers. Thank you, Trinity families. Together, we can make this happen.

In Christ, Mr. Thomas

The Trinity Family -2017, 2021

Do you know what these two dates have in common?

Mikayla McClintock was a valedictorian in each of these years. She graduated from Trinity as a valedictorian in 2017 and now she is a valedictorian at West. Wow! Nice job to a great Christian young lady.

Mikayla is a great example of a person who has been blessed and uses her blessings on a daily basis. Her plans now are to attend Washington State and focus on Bio Chemistry as she is interested in becoming a veterinarian. We are very proud of you Mikayla.

2021 Montana State University

My wife and I just attended our daughter's graduation ceremony and saw six graduates from Trinity. We want to congratulate the following members of the class of 2013: Julia Nielson, Bachelor of Arts in Environmental Designs with honors; Kristi Eby, Bachelor of Science in Business with highest honors; Kelly Thomas, Bachelor of Science in Business with honors; Ethan Kirby, Bachelor of Science in Chemical Engineering with highest honors; Isaiah Renner, Bachelor of Science in Mechanical Engineering with honors; Eliza Hargrove, Bachelor of Arts in Political Science with honors. It is so fun to see our Trinity family. We want to wish them all a blessed journey as they get ready for their new adventures. If you have more names of graduates, please share.

Kelly Thomas & Kristi Eby

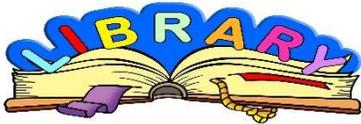

Please join us

to celebrate the completion of the Trinity School Expansion Project on June 6th at noon. We will have a BBQ and open house.

Final Tuition Payments

Please check your tuition balance in Sycamore before making your final payment. Yearly tuition costs do not always divide into equal amounts; therefore, the last payment may be slightly different. If you have any questions, please contact the school office. Thank you.

News From Our

The last day students may check out books is May 14th. All checked out books need to be returned by Friday, May 21st. The library will be closed to students and teachers beginning Monday, May 24th. Thank you for being a blessing to our library!

Spring Musical Plans Grades K - 6

Greetings from school. It is time to plan and prepare for the Spring Musical. Our goal all year has been to make school as normal as possible for the students. We have taken things here one step at a time and have monitored all of our steps.

Our next step now is to have our Musical live and in-person in the gym. We feel if we limit each family to three seats for each performance, we can make this work. A family could use both the Wednesday Matinee and the Thursday evening performances to cover their family. If you still need more seats for your family, please let me know and I will see what I can do.

With that said, here are our plans to try to accommodate all of our families' concerns. If you have a medical concern, are uncomfortable and do not want your child to participate, we will make accommodations for them. We will live-stream the Thursday evening show for those who don't feel comfortable attending in person. The video will be available online for 6 months. Our Matinee, June 2nd at 1:30pm will maintain social distancing for our families. The Thursday, June 3rd, 6:30pm show will limit the numbers, but it will have more people attending. We have succeeded during this strange time because we have cared for each other. Together, we will end the school year celebrating our children.

In Christ,
Mr. Thomas
