Sunday School Starts September 20th
With the days of summer quickly coming to an end, we're getting ready for "regular" Sunday School. Classes are available for youth ages 3 years old and up. If you are interested in teaching Sunday School, please contact Cameron Heiliger or Jenna Koeppel.

Food Pantry Items Needed
This fall we will be resuming our grocery ministry for 8-10 families in the Love INC training program. This means that 1-2 times per month we will be providing around 30 bags of groceries for these families. Please consider picking up a food pantry card in the narthex and helping with this wonderful ministry to our community!

Thank you for all the kindness and generosity I have received upon my retirement. It has been a joy and blessing to serve at both the church and the school the past 25 years. ~ *Jackie Ingold*

Volunteers Needed at the School
We need some helping hands at Trinity Lutheran School in the library and the kitchen. Times and tasks vary with training offered. Please contact the school office at 406-656-1021 or Lisa Ullman at 406-672-1250 for more info.

All In God's Family – Saturday, September 12th
Please make plans to join us for an evening of worship, food and fellowship as we gather together as God's Family at Trinity Lutheran School on Saturday, September 12th. We will have a worship service at 5pm on the school playground (bring a lawn chair) with a meal and Town Hall Meeting to follow. There is a sign-up sheet for volunteers to help with setting up and cleaning up.
Join us as we are having a hog roast, and we're asking the families to bring the following:

Last Name A-H: bring a salad
Last Name I-N: bring a side dish
Last Name O-Z: bring a dessert

Please note there are NO SERVICES on Sunday, September 13, at the church site.

LIFT Upgrade is Coming!
Trinity's Council has approved a project to update our current lift. Due to the age of the current lift, it is becoming very difficult to get it serviced when there are issues. The new lift will be installed later this fall and will be faster, quieter, safer, and more user friendly. The cost for the new lift will be around $70,000. If you would like to give a special gift toward this project, please clearly mark your donation for the "LIFT" and put it in the offering or bring it to the church office.
