The teacher will be responsible for teaching various subjects to 7th and 8th grade students. It entails approximately 26 hours per week. LCMS National Youth Gathering Kick-Off!

The LCMS National Youth Gathering is less than a year away! Next July, youth and adults from all over the world will gather in Minneapolis, MN to experience our REAL. PRESENT. GOD. together. Are you feeling called to be a part of that experience; as a youth participant, adult leader, or young adult volunteer for the gathering? Youth 8th grade and older (this school year) are eligible to participate, and we will be looking for potential adult leaders as we discover how big our group will be. If you would like to learn more about the gathering, join us at TYM Square after the late service on Sunday, August 12, for an informational meeting. (If you're interested, but can't attend this meeting, please contact Cameron).
