Occasional Needs

Because of her physical limitations, Lin Flechsig would appreciate a few hours of paid help around her home each month. This includes general housekeeping (lifting a box, changing a light bulb, recycling, etc.) and occasionally helping problem solve or making a minor fix. She would like to have someone she can call when she has a short list of things that need attention. If you are interested in helping, please contact Lin at 406-256-6462.

Change a Child's Life, and Your Own!

This year Trinity School is partnering with a very special organization for true life-change. Child Bridge of Montana is a Christ-centered organization that helps change children's lives forever by connecting foster children with loving, Christian homes, and then supporting those families throughout their journey. The need is huge, and who better to help meet this need than those of us who have been touched by God and called to make a difference in the lives of others!?! Please join us for a short informational gathering about becoming a foster parent on **Monday, January 10, from 7-8pm, in the school Music Room**. Child care will be provided free of charge during this gathering. Even if you aren't ready to commit right now, that's okay! This is a great opportunity to learn a little about Child Bridge, ask questions, and start to seriously pray about becoming a foster family. Maybe you aren't in a position to foster, but you still want to help. If so, take a minute to jump online at <https://www.childbridgemontana.org/> and donate to Child Bridge. All donations through the end of the year will be matched dollar-for-dollar by a generous donor!
