THE ALTAR FLOWERS are given in praise and glory to God by Mark & Delia Richlen in thankfulness and celebration of their 45th anniversary.

SPECIAL PRAYERS THIS WEEK ARE FOR:

Karianna Jinguji, Sheryl Scheafer's sister-in-law
Vicki Ungefug, Linda Owen, Mike Hall, Ted & Sonja Kober's son David, Dave Sellers, & Marsha Runge.

Dear Trinity family - I really don't know where to begin to thank all of you! (I decided to thank you here so I wouldn't miss any of you! You've all been a big part of my support and recovery!) From all the thoughts, prayers, cards, food, visits, care and rearranging-schedules-to-cover-my-work-load during the last year – to your very, very generous donations at Wednesday's Lenten Dinner - your support and generosity has truly blown me away! There is no way I can tell you how much your donations will help me – a weight has definitely been lifted. I am truly blessed to be part of such a loving, caring church and school family. Thank you, thank you for your support! God is so good!

~Cindy Speed

SOUND TECHS NEEDED! If you would be interested in volunteering to help in the sound booth during either the early or late service on Sundays, please let us know! It is a great way to serve at the worship service, and we could really use the help! (Let the church office know if you'd like to serve in this way!) Or write it in the Red Fellowship book, and we'll forward the message!

LWML's local mission project, LaVie Baby Bottle fund raiser, continues for the next few weeks. Please pick up a bottle from the basket in the narthex, insert your donation, and return it to the decorated box provided. If you have already donated to LaVie, your bottle has been returned. We extend "Thanks" for your help with LaVie's life-affirming early pregnancy services mission.

BELL TOWER ROOF REPLACEMENT – Did you know that at the very top of our church bell tower there is a roof? While our main church roof is in good shape, this small 14x14' bell tower roof is in desperate need of replacement. Right now water leaks through, runs down the support beams for the steeple, and leaks right into our choir loft! This area is 50' off the ground and only has a small access panel to get it. This means that replacing it is difficult, and costly. Our low bid for this project is just under \$14,000. If you would like to help with this project, please mark your donation "Roof Fund." We hope to have the funds raised by June so that the roof can be replaced this summer.
